

Together Quilting your Legacy

Here is our Sewing Guide! I can't wait to sew the Because I Love You Table Topper, with you designed by yours truly. :) We'll sew the project step-by-step and have tons of fun and laughter while sewing together.

You'll have the top done, ready to add backing and bind to gift to one of your favorite people. Talk about Quilting your Legacy.

👩 Who are you making this Table Topper to gift?
