

Hi Quilting Friend!

Here is our next Quilting your Legacy Table Topper Club Sewing Guide!

I am excited to share my latest Table Topper pattern, "Stick with Love."

As a little secret (again), I wanted to inform you that the Quilting your Legacy Monthly Challenge Facebook Group will celebrate "Autumn in August."

As a gesture of appreciation for being amazing, I am offering a helping hand if you decide to share your finished project in the Facebook group to enter to win a Fat Quarter Bundle Pack from Norton House Quilting.

Let's have fun and enjoy each other's company while we create something beautiful together. Please read this letter in its entirety.

I look forward to sewing the "Stick with Love" Table Topper with you.

See you on August 6th at 10 am Eastern time.

Stick with Love Table Topper

Just a recap on what is suggested before Sunday's meeting:

1. Cut out your fabric pieces.
2. Please be sure your sewing machine is clean and ready to go—a fresh, newly wound bobbin.
3. You do not have to sew along. You could watch and enjoy the entertainment and then watch the recordings later to sew the Table Topper. There will be a recording for your pleasure.

In case no one has told you today, I want to remind you that you are loved, and talented, and your quilted projects are valuable to the world. You are exceptional! It's a pleasure for me to join your Quilting your Legacy journey.

Cheers to you, Legacy Quilter! It's time we Quilt your Legacy!
