# 5 DIAMANT THREAD PROJECTS

PROJECT 1/5

## Pink Pincushion

Finished size 12 x 15cm

### Materials:

'Olive VD140' DMC Diamant Thread  
'Copper VD301' DMC Diamant Thread  
Dusty Pink 25 count Evenweave linen 15x30cm  
Tapestry Needle - Size 24  
30cm of Brown Ribbon  
Small amount of Toy Fill  
Embroidery Hoop

### Stitching:

Fold fabric into quarters to find fabric center.  
Each line on the chart is representing one thread on the evenweave linen. Pay careful attention to accurately counting the threads.

Use 2 strand of Copper thread to stitch blocks using Satin Stitch and 1 strand of Black and Gold thread to work border and star pattern.

### Assembly:

With right side facing fold embroidered piece in half lengthwise and stitch along short side.

Turn it inside out. Count 10 thread from the border and pull out following 6 threads out. Thread ribbon into large needle and stitch it evenly through both layers of fabric. Tie knot and cut excess ribbon off. Insert fibre filling and repeat it stitching with the ribbon on the other side of pincushion.

Count 8 threads away from the ribbon on each side of the pincushion and pull some threads out to form the fringe.
