CHEVRON CUSHION

40 x 40cm

DMC WOOLLY

MATERIALS:

- 4mm Knitting Needle
- DMC Woolly:

488.072	Dark Teal	1 Ball
488.082	Moss Green	1 Ball
488.063	Orchid Purple	1 Ball
488.053	Ruby Red	1 Ball
488.075	Ocean Blue	1 Ball
- Cushion Insert (40x40cm)
- 45x45cm piece of natural hessian or fabric
- General Sewing Supplies
- Sewing Machine (optional)

TENSION: 25 stitches x 30 rows = 10cm

ABBREVIATIONS:

- RS = right side
- WS = wrong side
- K = knit
- ST = stitch
- STS = stitches
- PSSO = pass slip stitch over

TO BEGIN:

1. Cast on 114 stitches with colour **(No. 1) 072 Dark Teal** and knit stocking stitch.
2. Follow pattern as per diagram and knit 3cm.
3. Change colour, following the number sequence and knit as follows (still knitting the pattern):
 - 3cm **(No. 2) 082 Moss Green**
 - 3cm **(No. 3) 063 Orchid Purple**
 - 3cm **(No. 4) 053 Ruby Red**
 - 3cm **(No. 5) 075 Ocean Blue**

4. Change back to **(No. 1) 072 Dark Teal** and repeat this pattern until piece measures 45cm - or until you feel you have a square piece, which matches the width.

NOTE: In this pattern we have used a natural hessian for the back side of the cushion cover. You could knit another piece for the back as well if you want both sides to be knitted.

FINISHING OFF:

5. Take your Backing Fabric, lay this down on a flat surface (if using fabric, lay this 'face up'), then place your knitted cushion front 'face down' on top of your Backing Fabric.
6. Pin the two layers together on 3 sides, leaving one side open to place the insert in.
7. With your Sewing Machine on Running Stitch, sew these 3 sides together.
8. Snip off the corners with Fabric Scissors and turn out the cushion cover so that the right sides are facing out. Making sure to push out the corners to a point.

9. Place the cushion insert inside the cover, plump up the cushion so that the filling goes into the corners.

10. Fold in the seam allowance for the last open edge. Use Whip Stitch to hand sew the opening closed.
