

## HEADBOARD / PLATFORM BED CONSTRUCTION

Leg H4 + Glide = total H4.5

Legs have no padding - fabric is upholstered directly onto the wood

Headboards are apx 2" thick (2.5" to outside of welt) and crown to 3.5" in middle

Platform Beds - platform is H13.5" (bottom of mattress sits 13.5" off the ground)

FABRIC: On average need 2 - 3 yards of fabric for a headboard + 1 yard for welt

WINGS: Add another 2 yards each for inside and outside of full height wings (4 yards total)
