## We believe ...

that adding a few simple elements of great design can totally transform a room. In other words, hip tables, chic chairs, outstanding lighting, and beautiful home accessories can add “oomph” to any home.

Made entirely in the USA, our collection of custom-made home furnishings and accessories are strikingly fresh and modern. Whether your style is trendy or traditional, there is always room for a little oomph! Have a custom design in mind? We specialize in Bespoke designs. Call to get started.

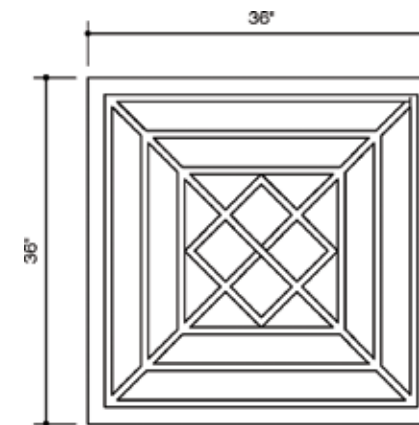

**COLORS** IN LACQUER! SHINY, BRIGHT, AND DURABLE.

**SURFACES**

At oomph, we try to offer enough variety in style, size, and color to meet the needs of you or your client. But every so often, a piece needs to be specially tailored. With oomph's Bespoke Services, your imagined designs can come to life. Our highly skilled artisans want nothing more than to make your perfect piece of furniture.

**SIZING ADJUSTMENTS**  
(HEIGHT, WIDTH, LENGTH OF CLASSIC OOMPH DESIGNS)

**ADDED DESIGN DETAILS**  
(EXTRA SHELVING, ADDED DRAWER, CUSTOM SURFACES)

**CUSTOM COLOR**

**CUSTOM UPHOLSTERY**

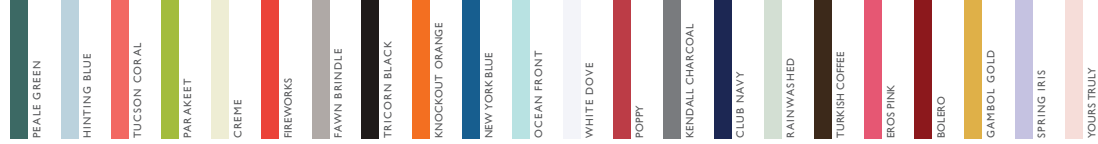

**COMPLETELY ORIGINAL DESIGNS**

### COM (AKA CUSTOMER'S OWN MERCHANDISE)

Send us your yardage and we'll make your upholstery dreams come true. We have calculated yardage for each piece with room for designs with an "extra large repeat" – a design that is particularly big.

We do not buy custom fabric, you must provide it.

### CUSTOMIZATION

We try to offer sizes to meet everyone's needs, but sometimes adjustments need to be made. Lucky for us, all our upholstery is made in the beautiful state of North Carolina and we can easily help you with your scale adjustments.

Still unsure? Reach out to us anytime.

52" OR 60" VARIOUS MOUNTS  
TO FIT YOUR CEILING

We've partnered with Big Ass Fans to bring you an exclusive collection of brightly lacquered ceiling fans from their Haiku® line. Proudly made in America, oomph for Haiku Fans are sure to make a stunning statement in any indoor or covered outdoor space. We dare you to find a ceiling fan with as much personality as these vibrant, elegantly crafted works of functional art.

- Each fan is hand-balanced in a 13 step process so they'll never wobble and sound-tested to ensure silent operation.
- The fans are up to 12 times more efficient than ENERGY STAR® standards require.
- Built-in SenseME™ Technology responds automatically to changing conditions to keep you comfortable while saving energy year-round.

## NEW!

The time has come to offer you MORE in the Home Fan category. Additional finishes and styles in the most intelligent, chic, and well-made fans you will ever find.

- Powerful performance with dynamic style
- Smart control
- Optional lighting
- Hand-crafted for years of effortless operation
