HB 580 KNURLED SOLID BRONZE D STAIR RAIL BRACKET

The HB 580 Knurled Stair Rail Bracket is a new classic, milled from solid unlacquered bronze and designed to age gracefully. Each end has the additional detail of custom lathe knurling.

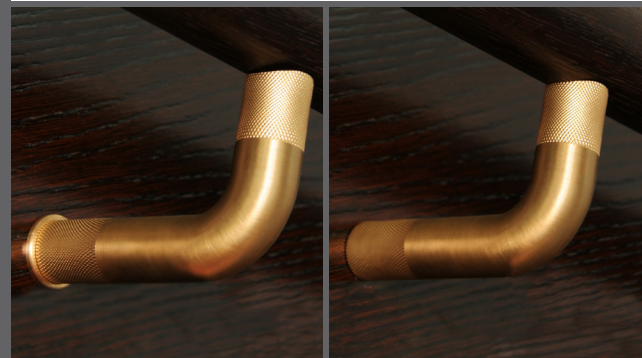

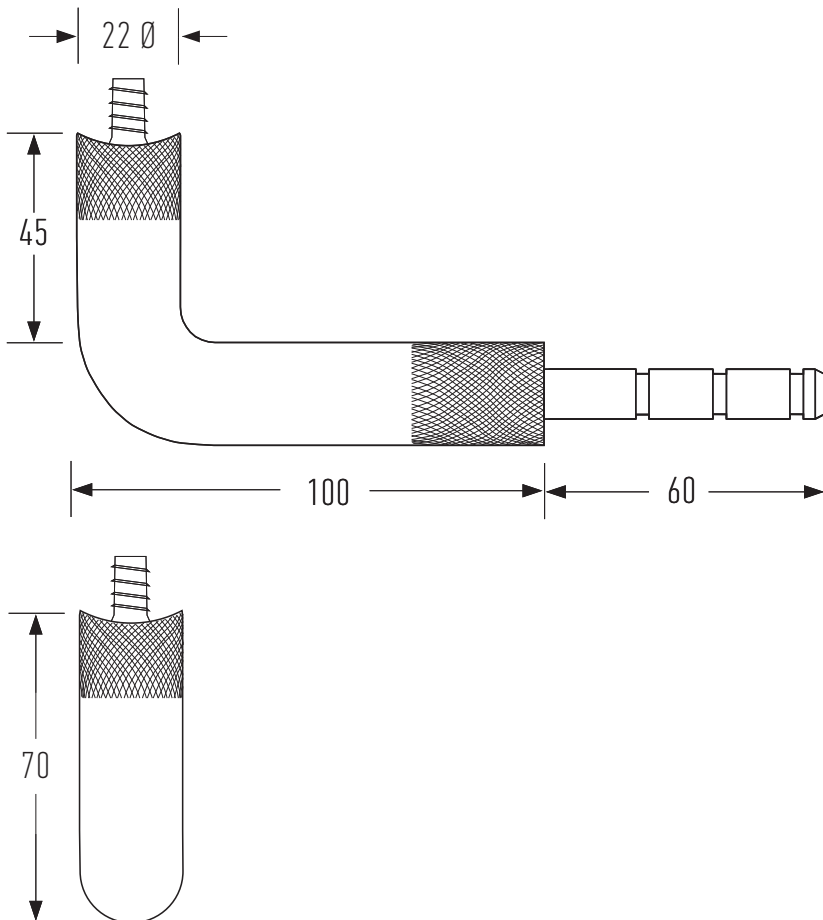

Please note while the HB 580 comes complete with a solid bronze rose, installation of the rose is optional depending on your aesthetic. Please see images below for both versions.

Includes all fasteners. Epoxy sold separately.

Material : LG2 (leaded gunmetal) Bronze

Sold only as raw unlacquered bronze

Suggested spacing : 600-800mm

BRONZE ROSE

Can be installed with or without bronze rose. Shown installed with rose (above left) and without rose (top right).
