Manual operation

For liquid soap, foam soap or disinfectant
2-year warranty

LOKI manual dispensers are part of DAN DRYER's newest line of sanitary equipment. The product line is characterised by elegant lines and the "I" on the front, which ties together the line and creates harmony when multiple LOKI products are displayed side by side.

Application

The LOKI line has been created to complement surrounding interior architecture such as window, doors, and wall surfaces. The elegant design and the floating look make the products easily integratable in most commercial and public washrooms.
