

HB 677

FLUSH PULL

Designed primarily for use with bi-fold doors, the Halliday+Baillie HB 677 Bi-fold Flush Pull is the bigger brother of the HB675. Like its predecessor, it provides an ample lip and generous 16mm internal depth for when a more substantial grip is required. While designed for larger bi-fold or pivot doors, the HB677 would just as well suit cabinetry or kitchen joinery.

material : diecast zinc and brass

dimensions : 250mm x 46mm x 17mm

internal grip depth : 16mm

Suitable for timber or aluminium doors

Available in the following finishes :

(Please check with your H+B representative, not all finishes available in all regions.)
