HB 1470

LARGE FLUSH PULL

Designed to complement the existing range of Halliday+Baillie Flush Pulls, the HB 1470 can sit comfortably on a large sliding door without looking inappropriately lost. It's companion, the HB 1475 Large Bi-Fold Plush Pull can be used on the same project to provide a consistent appearance between door types.

Each HB 1470 Flush Pull is shipped with one set of the HB 1410 Timber Fixing hardware, previously sold separately.
