HB 1575

LARGE BI-FOLD FLUSH PULL

The HB 1575 is the newest and grandest addition to the Halliday+Baillie flush pull family. Its 20-inch height provides an appropriately-scaled pull for taller pivot or bi-fold doors, while its increased finger grip allows sufficient leverage for easier operation of heavier doors.

NOTE: This flush pull is handed. Please specify **LH** or **RH**. HB1575-RH is shown here.

Each HB 1575 Flush Pull is shipped with one set of the HB 1410 Timber Fixing hardware, previously sold separately.
