FLUSH PULL

The Halliday+Baillie HB 650 Flush Pull is the diminutive version of the classic HB 660. Use this pull with the HB 680 Edge Pull for pocket doors for a modest passage set or for smaller doors, windows, or cabinetry to provide a consistent appearance in a project where other Halliday+Baillie Flush Pulls are specified.

Each HB 650 Flush Pull is shipped with one set of the HB 604 Timber Fixing hardware, previously sold separately.
