

HB 670

FLUSH PULL DEEP

The HB 670 is a variant of the HB 660 with the same external dimensions but a deeper internal depth of 16mm. It is ideal for applying the extra force you need to move large heavy sliders or when a more generous grip is preferred.

Each HB 670 Flush Pull is shipped with one set of the HB 604 Timber Fixing hardware, previously sold separately.

material : diecast zinc and brass
