

*designed by Julia Mülling & Niklas Jessen | 2016*

*Eikon Circus „pale rose“ with oak wood*

## DESIGN

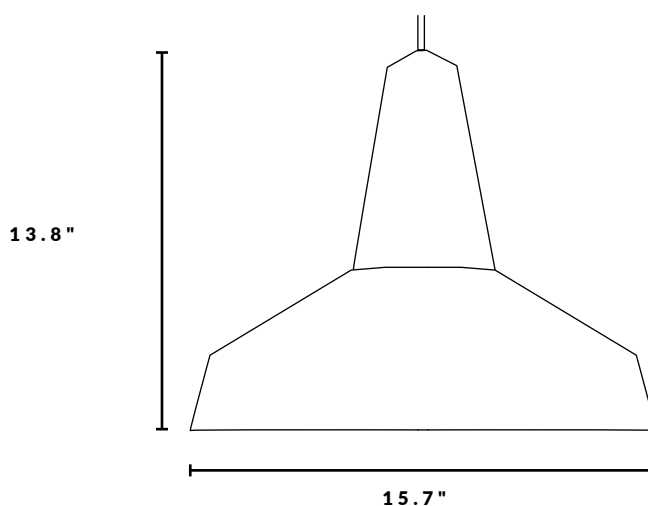

*Eikon Circus is the latest addition to the Eikon family and of all versions it has the strongest association to the classic industrial light. Eikon Circus is an ideal go-between the different shapes of the Eikon Basic and Eikon Shell, with its medium size it is a perfect complementation of the Eikon collection. The shape of the shade evokes memories of a traditional circus tent. An impression, which is enhanced by the elegant and harmonious coloring with „pale pink“, „peacock“ and „burgundy“, bringing back elements of nostalgia. The magnetic connecting system allows the lampshade to be easily changed for another color, shape or material of the Eikon collection.*
