Phase. Chandelier

Inspired by the exquisite balancing act found in hanging kinetic mobiles. Phase light is an interpretation of a circle in three forms: a sphere, a disc, and a melted semi-circle. This vertical fixture is built from the bottom up to stay balanced. Every component of each tier is hand finished and weighted precisely before being attached to the arm. Each tier acts as a predictably weighted foundation for the tier above, where the process repeats. Phase conceals its wires inside the arms while maintaining perfect parallel line structures. Rather than relying on adjustable parts—which shift over time and alter the geometry of the fixture—Phase achieves a fixed equilibrium with weight and steel piping.

Product Code

Model Finish Temperature

Model PHS	Dimension OD5ft - 6ft OD1.5m - 1.8m Height made to order	Canopy Dimension Ø8in Ø200mm	Dimming a. ELV Reverse Phase b. 0-10V	Lamp Life 15K hours
Frame & Canopy Finish BBRS Brushed Brass BBRZ Brushed Antique Bronze MBLK Matte Black CUS Custom	Material Steel Aluminum Plexiglass Glass	Weight 15lb 6.8kg	Driver Integral in Canopy	Input Voltage 120V 50/60Hz
Due to the length of tiers, a natural arc occurs on the longest tier	Mounting J-Box	Temperature 2700K 3000K	Lamping LED 80CRI 5.4W 450-510lm	Output Voltage 12V
