

# Hear My Prayers

## January Scripture Writing + (Prayer Journaling Prompts)

Focusing on God's Word and writing out daily scriptures can instill a calming peace before we get into the busyness and distractions of our day. When we focus on Him first and invite Him into our daily schedules, we are blessed with His guidance, direction and presence. Take some time each morning to read, write, pray and journal God's Word. He's listening and He hears our prayers.
