At Plates to Ease Poverty 2018 we will honor some of the friends of the St. Vincent’s Dining Room in recognition of Ray Trevino.

Our theme this year, “Ray of Hope” will reflect the compassion of Ray Trevino and his contributions to our community through the St. Vincent’s Dining Room.

In loving memory of Ray Trevino
Plates to Ease Poverty is our major fundraising event of the year. It provides us with essential funding for our services to those in deepest need. Many of the services offered by Catholic Charities are not glamorous, but our work keeps people alive, by preventing families and seniors from becoming homeless or going hungry. Our staff works tirelessly to ease the stress of trying to survive with too few resources, and the negative effect that can have on physical and emotional health. Our work is a critical component in reducing public spending on emergency services, public health, and homelessness.

**We honor you, our sponsors, for understanding that the funds raised at this event play a critical role in our ability to continue these important community services.**

Our annual Plates to Ease Poverty gala began in the home of one of our most prominent board members, Nick Rossi. Guests recall an intimate gathering, with just a handful of local people in attendance, with a common interest in fighting poverty. The original fundraiser was referred to as the Bishop's Dinner.

The event quickly grew and became known as the Bishop's Humanitarian Award Dinner. Every year, the Bishop honors a local person or group with his prestigious Humanitarian Award, in recognition of their exceptional commitment to bettering the lives of the homeless, hungry and poverty-stricken in our community.

In 2013, the event was renamed Plates to Ease Poverty, to better reflect the mission of Catholic Charities & The St. Vincent’s Programs. We highlight the many ways in which Catholic Charities helps to move those in need from poverty to sustainability. The Bishop continues to present his Humanitarian Award to deserving recipients.

Plates to Ease Poverty is also a really great party! Join us for dinner, drinks, a silent auction, a live presentation, and an exciting surprise entertainer. This year we honor friends of the St. Vincent’s Dining Room — The Klaich Family, The Scolari Family, Mary Weneta and Robert Gilmer.
