

Safety Precautions

These fine cutting tools are extremely sharp. Use extreme caution to protect against injury.

- Never use a knife as a can opener, pry bar, screwdriver, wedge, or hand tool.
- Never handle a knife by the blade.
- Be sure to keep sharp edges away from you when laying knife down.
- Never attempt to catch a falling knife.
- **KEEP ALL KNIVES AWAY FROM CHILDREN**

If used and cared for properly, these knives will provide superb cutlery that will last for many years.
