IMPORTANT SAFETY PRECAUTIONS

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING. KEEP AWAY FROM WATER.

DANGER
As with most electrical appliances, electrical parts are electrically live even when the switch is off. To reduce the risk of death by electric shock:

1. Always unplug immediately after using.
2. Do not use while bathing.
3. Do not place or store appliance where it can fall or be pulled into a tub or sink.
4. Do not use this appliance near a bath tub, washbasin, or other vessel filled with water. Never place the appliance in water or any other liquid.
5. If an appliance falls into water, unplug it immediately. Do not reach into water.
6. Do not use if plug is loose in the outlet, as there may be a risk of fire, electrical shock, electrical shortage, and burning.

WARNING
To reduce the risk of burns, electrocution, fire, or injury to persons:

1. When not in use, your styling brush should be disconnected and stored in a safe, dry location, out of reach of children. Allow appliance to cool before storing.
2. An appliance should never be left unattended when plugged in.
3. Close supervision is necessary when this appliance is used by, on, or near children or individuals with certain disabilities.
4. Use this appliance only for intended use. Do not use attachments not recommended by the manufacturer.
5. Handle cord carefully for longer life and do not put any stress on the cord where it enters the handle. Avoid jerking, twisting or straining especially at the plug connections.

The GLOSSIE Ceramic Styling Brush has 4 Heat Settings: 300°F, 350°F, 400°F, 450°F. The tool is on the Max temperature setting when all of the LED Temperature Indicator Lights are lit.

Recommended temperatures by hair type:

<table>
<thead>
<tr>
<th>HAIR TYPE</th>
<th>SETTING</th>
<th>TEMPERATURE</th>
</tr>
</thead>
<tbody>
<tr>
<td>thick, coarse, curly</td>
<td>High/Max</td>
<td>450°F</td>
</tr>
<tr>
<td>normal, medium, wavy</td>
<td>Medium/High</td>
<td>350°F - 400°F</td>
</tr>
<tr>
<td>fine, thin</td>
<td>Low</td>
<td>300°F</td>
</tr>
</tbody>
</table>

For best results, use the Precision Press when styling hair. To release the Precision Press styling arm, slide the chrome switch. Place sections of hair against the heated plates and close the Precision Press with your hand. As you glide the brush down strands, the Precision Press provides tension to smooth and straighten hair more quickly, from root to tip. For quick touch ups, close the styling arm and secure it by sliding the chrome switch. GLOSSIE can be used with the Precision Press closed.

When you are done using the tool, press the Power Button until all of the LED lights are off. If you forget to turn off your GLOSSIE Ceramic Styling Brush, the Automatic Shut Off will turn the device off after 60 minutes. To reactivate the device, press the Power Button.

LIMITED 1 YEAR WARRANTY

This warranty is for the original purchaser of the InStyler® GLOSSIE Ceramic Styling Brush, and is nontransferable. Tré Milano, LLC warrants that InStyler® GLOSSIE Ceramic Styling Brush will have no defects in material and workmanship under normal household usage for one year from the date of purchase. Keep the original sales receipt for proof of purchase to attain warranty provisions. Within a one-year period from the date of purchase, Tré Milano, LLC will repair or replace, on its own accord, any InStyler® GLOSSIE Ceramic Styling Brush or parts found to be defective. This warranty does not cover any shipping and handling charges which may incur. This warranty does not include any damages caused by accident, misuse, neglect, abuse, use on a voltage other than marked on the product, or use for commercial purposes.

If your InStyler® GLOSSIE Ceramic Styling Brush is found to be defective within the time period of this warranty, please contact the Tré Milano, LLC Customer Service Department Toll Free number (800) 307-0078. If the product is discontinued or no longer available, a replacement may be made with a similar product of equal or greater value. Any attempt to repair or service this product on your own will void the warranty.

Model No. 00620
Part ID: PKG-MANUAL-ISHBC-1701
Voltage: 120V/60Hz
Power: 55W

DIRECTIONS

To turn the device on, plug it into an electrical outlet and press the Power Button located on the handle until the LED Temperature Indicator Lights are illuminated. GLOSSIE will always turn on at 230°C. Press the Power Button again to select the desired temperature as indicated by the LED Temperature Indicator Lights. Keep pressing the Power Button to cycle through the adjustable temperature settings. The lights will flash until the selected temperature is achieved.

The GLOSSIE Ceramic Styling Brush has 4 Heat Settings: 150°C, 176°C, 205°C, 230°C. The tool is on the Max temperature setting when all of the LED Temperature Indicator Lights are lit.

Recommended temperatures by hair type:

IMPORTANT SAFETY PRECAUTIONS

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING. KEEP AWAY FROM WATER.

DANGER As with most electrical appliances, electrical parts are electrically live even when the switch is off. To reduce the risk of death by electric shock:

WARNING Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

WARNING to reduce the risk of burns, fires, electrical shock, death, injury or damage to property:

1. Always unplug unit immediately after use. Especially when used in a bathroom.
2. Do not use while bathing or showering.
3. Do not place or store the appliance where it can fall or be pulled into a tub, toilet or sink; or any other water source.
4. Do not use this appliance near a bath tub, washbasin, or other vessel filled with water or any other liquid.
5. If an appliance falls into water, unplug it immediately. Do not reach into water.
6. Do not use if plug is loose in the outlet, as there may be a risk of fire, electrical shock, electrical shortage, and burning.
7. When not in use, your styling brush should be disconnected and stored in a safe, dry location, out of reach of children. Allow appliance to cool before storing.
8. The appliance should never be left unattended when plugged in.
9. Use the appliance for its intended purpose as described in this manual. Do not use attachments not recommended by the manufacturer.
10. Handle cord carefully for longer life and do not put any stress on the cord where it enters the handle. Avoid jerking, twisting or straining especially at the plug connections.
11. NEVER operate the appliance if it has a damaged cord or plug, if it is not working properly, or if it has been crashed, damaged, or dropped into water, return the appliance to a service center for examination and repair to avoid hazard. Do not attempt to repair the appliance yourself.
12. Keep this product and the cord away from water and heated surfaces. Do not wrap the cord around the appliance since this will cause the cord to wear prematurely and break.
13. Keep heated surfaces clean and free from dust, dirt and hair spray. If cleaning becomes necessary, disconnect the appliance from the power source and let it cool. Wipe the exterior with a damp cloth.
14. Never use while sleeping.
15. Never insert any object into the styling brush.
16. Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.
17. Attachments may be hot during use. Allow them to cool before handling.
18. Do not place the heated styling brush directly on any surface while it is hot or plugged in.
19. Do not use an extension cord with this appliance.
20. Do not operate with a voltage converter.
21. Children should be supervised to ensure that they do not play with the appliance.
22. The appliance is not to be used by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
23. Cleaning and user maintenance shall not be made by children without supervision.
24. This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
25. Children shall not play with the appliance.
Environmental Note
This product has been made from high-quality parts and materials which can be re-used and recycled. Therefore, do not throw the product away with normal household waste at the end of its life. Take it to a collection point for recycling electrical and electronic devices. This is indicated by this symbol on the product, in the operating manual and on the packaging. Please find out about collection points operated by your local authority. Help protect the environment by recycling used products.
