

FATHER'S DAY CARD

Materials needed:

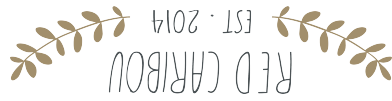

- 2 letter-sized cardstocks (one for printing the drawing and the other for the card that will be folded in half)
- Glue (a strong adhesive is recommended)
- Scissors
- Drawing and writing materials (colors, markers, feel free to get creative!)

Print at 100% scale, letter-sized cardstock.

If your printer allows, print on cardstock.

If not, print on regular paper and mount on a not-too-thick cardstock.
