ALL NATURAL SPECIES SPECIFIC FEEDS

## FibrePlus

### Established in 1990-Leading supplier of quality supplements for over 30 years.

-  Hi Form Complete Feeds™ is a unique, high quality feed formulated by one of the most highly respected and qualified Nutritionists in Australia
-  No fillers, no binding agents, human grade ingredients. If it isn't good enough for us, it is not good enough for our horses.
-  From the paddock to the feed shed, Hi Form Nutrition System, economical and all natural.

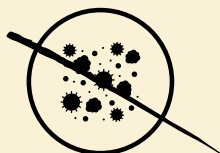

## CONSISTENT WEIGHT & QUALITY

Our fibre is precision dried using Australia's largest industrial dryer. As we are not reliant on the weather to dry in field, we provide a consistent quality every time. Our state-of-the-art baling equipment allows for bales to be compressed by weight, providing you a consistent product every time.

### FRESHNESS SEALED IN

Precision drying ensures our finished product has consistent moisture level maximising nutrients, quality and shelf life.

### DUST EXTRUDED

using a unique process of dehydration, dust extraction and baling provides a clean dust extruded product.

### SUSTAINABLY SOURCED

From farm to finished product, eco-friendly, sustainable, and natural Australian materials.

# Why Choose Hi Form Complete

## FibrePlus Feeds

Our obsession for quality, research and our scientific approach blended with Western and Chinese herbal medicine. All rolled into one pellet.

There is no other horse feed like it on the market. Suitable for all work levels, grain free and is a complete feed.

Hi Form Complete FibrePlus contains the perfect balance of Alfalfa hay and Oaten hay in a long stem fibre pellet. Including Hi Form EquiSoy™, GMO free oil, Complete FibrePlus contains certified organic Rosemary extract which has significant antimicrobial, anti-inflammatory,

antioxidant and neuroprotective properties. Hi Form Complete FibrePlus also contains Completavite™ to provide your horse with an excellent balance of vitamins, mineral tissue salts, amino acids, trace elements and organic herb extracts. Horse owners are only required to top up with Hi Form Completavite™ using small dose levels to achieve the perfect balance. Dose rate will depend on the level of feed.

Hi Form Complete Feeds™ is a unique, high quality feed formulated by one of the most highly respected and qualified Nutritionists in Australia using the latest

cutting-edge research and ingredient technology and providing nutrition and integrative health options for all horses.

Hi Form Complete Feeds are produced in one of Australia's top mills. Hi Form Complete Feeds™ contain a high natural roughage content which is exceptionally important to support the equine gut microbiome.

Hi Form Australia™ uses a nutrition and herbal medicine background with the natural, science-based therapies of progressive Functional Medicine to provide the best viable feed options for the ongoing health and well-being of your horse. Hi Form Complete Feeds™ and Hi Form formulas offer the horse owner the opportunity to meet their horses daily requirements in exact measures by using the Double H System™.
