HAPPY HOLIDAYS TO ALL!

A MESSAGE FROM THE HIFORM TEAM

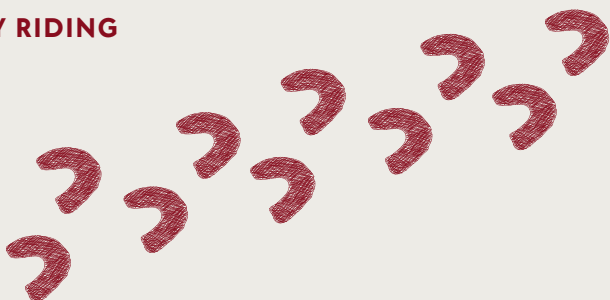

Hi Form would like to thank you all for supporting us this year. We have had many new products launched and now our very own feed range. We could not have done this without your support and loyalty.

So as a **THANK YOU** Hi Form would like to offer you a special for the whole month of December. Please use the code **MERRYXMAS22** and enjoy the savings.

Christmas closure is from Friday 23rd December and we will reopen on Wednesday 4th January @ 11.00am.

So from our family to yours wish you all a safe and happy festive season.

After 4 long years Equitana was back and boy didn't the Hi Form team have an absolute ball.

We had the pleasure of sponsored riders Maddi Growcott and Que participated in the Dressage Masterclass, Marty Bryson and Alerion representing the sport of endurance and showcasing the Arabian breed and Cassidy Fry for participating in the Stockhorse events.

We would like to thank all the sponsored riders who came and visited us or talked to customers on the stand including Harley McNaughton, Tash Moody, Ashlie Waters, and Bree Petrie.

We had the samples of our new feeds Hi Form Complete FibrePlus and Hi Form Complete AlphaFibre. They went like hotcakes. Stay tuned for the release dates as they are coming really soon.

Antoinette did two informative talks, one of "How to detox your feed room and pantry" and the other was on "Natural pain relief". Everyone thoroughly enjoyed the talks and interacted with Antoinette.

Great for Christmas presents

HI FORM DETOX

ITS THAT TIME OF YEAR

The Detox formula is a balanced herbal blend containing herbs which may assist detoxification of the liver, large intestine, kidneys, lymphatic system, lungs, and the skin. Excellent to be used for horses who have suffered or are suffering from long term illness, ideal for horses coming into work after a long break.

Goals based around health and fitness are by far some of the most common New Years resolutions. Have you ever thought about beginning the year with goals for your horse? Improving their health, fitness or even nutrition? The first place to start would be detoxing your feed room.
