# HI FORM JANUARY

NEWSLETTER

---

Welcome back everyone, we hope that you all had an amazing Christmas and New Years. Lets start the new year fresh with some exciting products and platforms. Introducing Rider Health where we have a new website up and running as well as offering consultations with our practitioner. New product alerts are coming soon, keep an eye on our social media for updates.

## ElectroPlus

The most common causes of electrolyte imbalances are from liver and kidney disorders, not drinking enough water, diarrhoea, excessive sweating, intense exercise, weather, and illness. Water is an essential nutrient, and a horse will need 10% of their body weight with it.

## Human Health

Welcome to ProSports where we can look after your health as well as your horse. We have qualified Nutritionist and Naturopaths where you can book a TeleHealth consultation. Make a new year be a new you. We believe that you should never let your health slip, who will feed your horse if you are sick in bed.

"THE DOCTOR OF THE FUTURE WILL NO LONGER TREAT THE HUMAN FRAME WITH DRUGS, BUT RATHER WILL CURE AND PREVENT DISEASE WITH NUTRITION."

~THOMAS EDISON

It is a fact that horses can feel and understand you, if you are not operating at full capacity then your horse is full aware of this. Make your partnership a healthy one for both of you.

"LET FOOD BE THY MEDICINE AND MEDICINE BE THY FOOD"  
~HIPPOCRATES

## Soy Oil

### **GMO-free, oral grade, pure soybean oil**

Everything that you want to know about Soy Oil Organic soy oil can aid in cardiovascular health, it boosts the immune system by eliminating free radicals that cause conditions such as heart disease, cancer, and premature aging. Boosts Bone Health due to the high vitamin K levels, therefore great in prevention of arthritic conditions. Improves vision due to the Omega 3 fatty acids by protecting cell membranes, acting as an antioxidant and neutralising free radicals. High Vitamin E content acts as a powerful antioxidant and nourishes the coat, skin and hooves.
