AlphaFlax

Our pure certified oral grade flaxseed oil is cold pressed. Flaxseed oil has one of the highest concentrations of plant-based essential fatty acid omega 3 alpha linolenic acid. Omega 3 fatty acids improve general health and well-being. It contains photo sterols with the added benefit of improving skin and coat health. Flaxseed oil having a high level of omega 3 essential fatty acids can also help to reduce inflammation. 100% natural, free from additives!

Conditioner: Conditions the coat improves shine and is ideal for knots and tangles in mane and tail.

Flyaway: Contains essential oils clinically proven to have an effective repellent activity against insects

2023 Hiform Victorian State Championship Derby.

We had a wonderful time in Tatura during February with our the Inaugural 2023 Hiform Victorian State Championship Derby.

What a fantastic event, run by the Victorian Reining Horse Association (VRHA). Such a hard-working committee and team of members who put on a spectacular event. There were so many talented horse and rider combinations that were thrilling to watch. We had a great time with our stand positioned along the arena wall and able to see all the action.

We were extremely, excited, proud, and emotional when our sponsored rider Katia Sonsini rode to win her first garland, taking out the level 1 champion on her beautiful horse Sherbet Bomb, with a super score of 71.

The venue was alive with music and horses at full throttle, sliding, stopping, and spinning, whilst looking amazing in their bling. Reining is entertainment for all horse enthusiasts worth coming to watch.

We had many owners attend our stand and discuss the benefits of Hiform Natural formulas. We are delighted with the response and feedback from these customers regarding the improvements shown in their horses already.

We are now looking forward to attending the Water Wheel Reining held by GVRA in May 2023
