

Ready for retail

Cornish Sea Salt is hand harvested from the waters around the Lizard Peninsula in Cornwall, which gives our salt a unique mineral profile and an intense salty flavour, meaning you can use less of it to produce consistently delicious results.

The product range includes a variety of salt types and innovative blends to meet the needs of our worldwide retail, chef and food production partners.

Cornish Sea Salt™ Crystals

Cornish Sea Salt™ crystals has a wonderfully crunchy texture and can be easily crumbled between the fingers. It retains over 60 trace elements that benefit wellbeing.

Pack sizes: 75g, 225g

Cornish Sea Salt™ Flakes

To compliment the celebrated crunch of Cornish Sea Salt™ crystals our salt makers have crafted soft and delicate sea salt flakes. The texture makes them the perfect finishing salt.

Pack sizes: 50g, 150g

Cornish Sea Salt™ Smoked Flakes

Cornish Sea Salt™ has bottled the mellow, flame-grilled taste of an open fire in every pinch of our smoked flakes. The natural freshness of sea salt combined with a subtle barbecue tang has a transformative effect on food.

Pack sizes: 50g, 125g

Simple seasonings

The beauty of the 'Simple Seasoning' range is that all the hard work has been done for you. We've chopped garlic, peeled lemon, de-seeded chillies, sourced pimento and dived to the bottom of the deep blue Cornish sea to hand-harvest seaweed. These speciality ingredients are blended with our mineral rich Cornish Sea Salt to create a fabulously versatile and delicious range of seasonings.

Pack sizes: from 40g - 75g

Catering options

Our chef and food production pack formats include our Original Sea Salt Crystals, Cornish Sea Salt Flakes and new Cornish Sea Salt Fine Flakes, versatile products that can be used for bakery, butchery, in mixology or marinades, or as a finisher.

We work with top chefs, restaurants and hospitality providers across the globe, providing a natural, unique product with an intense flavour.

Our food service packs are supplied in cases of 4, with 60 cases per pallet. Ask for more information about export specifications.
