

COUPLE COFFEE TABLE

SYLVAIN WILLENZ ON THE DESIGN "The Couple Coffee Table was born out of my research into a traditional and essential piece of furniture – the coffee table. I wanted to come up with a new yet subtle take on its typical materials and typology. I was inspired by the materiality of fired earth like brick and terracotta, finding that a beautiful synergy occurs when it is combined with wood. I have always been drawn to texture and wanted Couple's design to have an inherently tactile character produced by the grainy feel of the tile's surface. The design allows you to choose between or combine tiles with a smooth surface or a soft wavy look. With these distinct materials, their finishes, and fine design details, Couple subtly merges a familiar piece of furniture with forward-thinking features."

DESCRIPTION

Inspired by the traditional tile table, the Couple Coffee Table is a refined merging of materials – FSC™-certified (FSC-CO28824) wood and ceramic stoneware. Made in a tactile ceramic stone material, it is a gentle nod to the durability of the brick, in aesthetics as well as quality. This sense of tactility is enhanced by the option of two different tabletop tiles; one with a plain and functional surface, the other with a more sculptural wavy feel. Choose between 36 prearranged variants spanning across various finishes and three sizes, from the petite to the grand coffee table with plenty of room for books and objects of affection.

MATERIAL

Tabletop tiles made in ceramic stoneware treated with a stone sealer for extra stain protection. Tiles are placed loosely on top of the frame with rubber anti-slip pads securing the tiles in place. Frame in solid oak treated with either clear or dark oil, made using FSC™ (FSC-CO28824) certified wood. Premounted felt glides.

CLEANING AND CARE

Tabletop:

For general maintenance: Clean the table with a damp cloth, using only mild (not concentrated) detergents or washing up liquids. Always dry with a cloth after cleaning. To avoid the risk of permanent stains and marks, liquid, grease, etc., these should be removed immediately. It is highly recommended to re-apply stone sealer 1-2 times a year on the tabletop surface in order to upkeep its stain-protection.

Stone sealer can be purchased in your local hardware store*.

Frame:

We recommend applying special oak wood oil on the frame when necessary. For solid oak we recommend using an oil with a small amount of white pigment. For dark oiled oak we recommend using a smoked tabletop oil*. Never place the table up in the immediate distance of a heat source.

*Please contact customercare@muuto.com for recommendations on specific oak wood oils and stone sealers available in your region.
