

My Chair

Effortless and timeless design

normann
COPENHAGEN

A chair, just as a chair should be

Effortless and timeless, Nicolai Wiig Hansen's My Chair from 2013 is as close as it gets to a new classic: a minimalistic chair in molded veneer that moves gently with the body. The curved waist and rounded corners counterbalance the stringent design of the chair and give it a warm and welcoming feel. Due to its harmonious silhouette, My Chair complements most settings and can be multiplied without taking over the interior.

Product Facts

Description

With My Chair, designer Nicholai Wiig Hansen has reinterpreted the classic shell chair, adding a striking elegance and harmony.

The curved waist and rounded corners counterbalance the stringent design of the chair and give it a warm and welcoming feel.

My Chair

► Full Upholstery Version

Shell: Oak veneer

Upholstery: PU foam with full upholstery

Legs: Lacquered veneer (Oak or Walnut) /

Painted and lacquered ash veneer (color versions) /

Chrome / Powder coated steel

Construction

The chair is delivered assembled. For the versions in wood and front upholstery, the shell and back shell material always match the legs' material e.g. both shell and legs come in lacquered oak veneer.

My Chair bar stool is delivered with a chrome foot support.

Black foot support is available upon request.

Stackability

My Chair with steel or chrome legs is stackable up to 8-10 pcs.

We do not recommend stacking the front upholstery or full upholstery versions, as the weight of the chairs could leave marks on the upholstery. Compatible with our [Chair Rack](#). Stackable up to 15 chairs on our single version Chair Rack and up to 30 on our double version Chair Rack.

Accessories

Comes with PE glides. Felt glides can be purchased separately. See [Glides Overview](#).

My Chair steel and chrome can be connected with [Chair Link](#). Compatible with our [Chair Suspension](#).

Test

My chair steel and wood

EN 1022:2005 and EN 16139:2013. Level 1
