Minimalist modules with a flair for details

Clean and softly rounded lines give the Rope modular sofa an expression that is simultaneously minimalistic and full of character. A classic piping is highlighted as the main detail of the design, marking the edge of the sofa in an understated and fluid way. To achieve the highest levels of comfort, the Rope sofa is built with pocket springs and foam, ensuring soft and supportive seating that shapes itself according to body contours. The Rope modular sofa works well in widespread arrangements where modules and textiles mix into colorful and inspiring hang-outs.

Product Facts

Description

Rope emphasizes flexibility and comfort in a modular design that offers a wealth of opportunities for personal style. The design plays with curves and dimensions in order to give Rope an expression that is simultaneously minimalistic and full of character. A clean and simple piping is highlighted as the main detail of the design.

Designer / Year Of Design

Hans Hornemann / 2016

Material

Shell: HR foam with pocket springs and upholstery
Legs: Painted and lacquered ash

Construction

Rope sofa consists of a wooden frame with pocket springs.
The frame is covered in durable furniture foam all over, ensuring optimal sitting comfort. The sofa features piping on all edges.
The legs are made of black lacquered wood and measure approx. 1,5 cm in height. ►

► **Maintenance**

Textile: Clean with textile or upholstery cleaner.

Leather: Clean with damp cloth. Use the foam from warm water with soap flakes. Make sure only to use ecological or perfume-free soap flakes. Frequent vacuuming with a soft fitting is recommended both for textile and leather to preserve color and appearance. Please be aware that sharp objects can leave marks. We recommend to check and tighten screws every 3-6 months.

Please make sure your choice of glides is suitable for the type of flooring. We recommend to check the glides every 3-6 months.

If worn down, please replace.

Accessories

Comes with felt glides.
