Refund

Even though we strive to deliver goods and services to your complete satisfaction, sometimes you may need to return your goods. You may do so within 14 days without specifying any reason for the return. In such a scenario, we shall try to resolve everything as quickly as possible so that you do not have to wait longer than necessary.

Once your item(s) has been received, we aim to process your return within 2-3 business days. Please allow 3-7 business days for a refund to be received to your bank. Return postage costs will be at your own expense, however, if the item(s) you wish to return is faulty or not as ordered, contact [customerservice@antorini.com](mailto:customerservice@antorini.com) before posting your return.
