

UNIFORM BUYING

IF YOU CAN IMAGINE IT, WE CAN BUILD IT. HERE IS HOW, IN 4 EASY STEPS!

1) PICK YOUR GARMENT STYLE AND FABRIC

TECH-MESH

Performance mesh knit, 100% polyester, moisture wicking, dries quickly. Ideal for track and high aerobic sports.

FLEX-MESH

Rugged and durable, breathable, moisture wicking. Ideal for high impact sports... hockey, rugby, lacrosse.

VERSA-DRI

Technical closed hole mesh, moisture wicking - only fabric specified for REVERSIBLE uniforms.

AIR-MESH

Open hole, stretch mesh, breathable and moisture wicking. Soft and luxurious. Ideal for lacrosse/game uniforms, shorts and warm-up shirts.

MICRO-TECH

Flat surface, technical knit. Moisture wicking and abrasion resistant.

RUCK TWILL

Used exclusively in our Rugby shorts. Mid-weight durable woven textile. 4-way comfort stretch.

POWER-DRI

Our lightest weight compression fabric. Moisture wicking, breathable. Designed for track/high intensity activities.

POWER-WIC

Our rugged mid-weight weight compression fabric. Moisture wicking, breathable. Designed for impact sports - rugby, lacrosse.

POWER-STRETCH

All season training fabric mid-weight, flat face knit. Moisture wicking. Available in both sublimated and piece dyed.

COMFORT DRI

Soft-handed, moisture wicking fabric that combines the comfort of a T-shirt with the benefits of a performance fabric.

2) PICK YOUR GARMENT COLORS

Tan

Flesh

Graphite

Hi-Vis

Yellow

Pink

3) ADD YOUR STYLE WITH ONE OF OUR PLAYGROUND® PATTERNS

Substitute any color area with one of our patterns below. See all designs at Boathouse.com/patterns

Hipster

Honeycomb

Navajo

Pinwheel

Add your favorite pattern here!
