FUNCTIONS

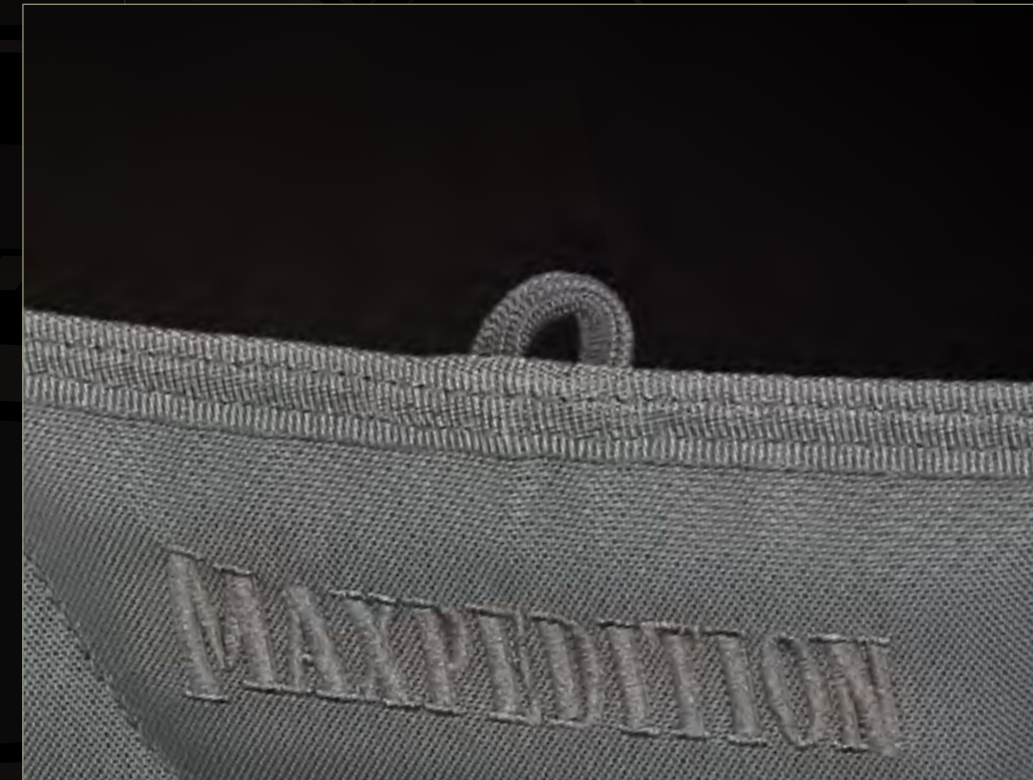

FTV™

DUAL FOLDING POSITIONS

For a bifold style, fold the valet directly in half using the seams provided. Two snap buttons will line up at the top, so press firmly to snap into place. This folded style is a great on-the-go option and perfect for papers, such as airline tickets and receipts.

For a tray style, simultaneously fold the bottom flap and side flaps up using the seams provided. The snap buttons will line up, so press firmly to snap into place. Simultaneously fold the top flap and side flaps using the seams provided. The bottom snap buttons on the top flap will line up with the snap buttons on the side flaps. Press firmly to snap into place. The tray style can be used to hold larger objects, such as your cell phone, watch and keys.

EXTERIOR PARACORD LOOP

An exterior paracord loop is available as an attachment point.

FOAM PADDING

A layer of 5 mm foam has been added to protect breakables that are placed in the valet.

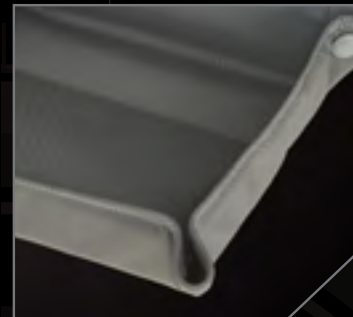

CARE TIPS

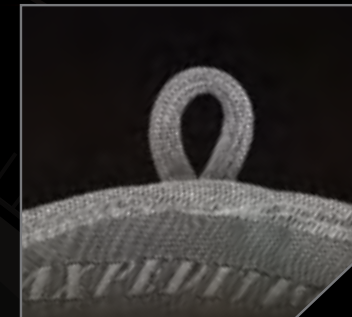

CLEANING INSTRUCTIONS

- After each trip, thoroughly clean your pack.
- Rinse your pack with fresh water if dirt, sweat, salt and stains have worked their way into fabrics, webbing or mesh.
- To clean, simply wipe down with a damp cloth and allow the gear to dry naturally in a well-ventilated area out of direct sunlight.
- Do not machine wash.
- Do not use detergent or bleach on fabrics or webbing.
