FUNCTIONS

UNIVERSAL PISTOL WRAP

The Universal Pistol Wrap will fit numerous sized handguns, from sub-compacts to full size. The wrap can also be used for both right- and left-handed draw. *When using the Universal Pistol Wrap, please follow all firearms safety procedures to prevent an accidental discharge. Maxpedition advises all customers to use the wrap and place the firearm in the compartment when it is unloaded.*

HOW TO USE THE UNIVERSAL PISTOL WRAP

To use the Universal Pistol Wrap, open the wrap and lay flat. Place your handgun on the loop surface of the vertical base. Wrap around the slide and trigger guard, and secure using the hook & loop. Place the wrapped handgun into the CCW compartment in a comfortable position, making sure the hook backing of the UPW has fully engaged with the loop surface of the bag.
