Volumizing & Thickening Treatment

Select Galénica Nectars
Reset and refresh the scalp! Natural, organic, and 100% vegan ingredients restore scalp health and increase hair's luster, all while respecting their natural balance.

Balancing, Volume & Tonic, Energizing, Sensitive, Purifying Dandruff

Retreat Color Therapy Treatment

Hydrate and heal color-treated hair with an alchemy of organic oils from Olive, Grapeseed, Sesame and Hydrolyzed Rice Protein. Its antioxidant-rich, ultra low pH seals the cuticle, locking in moisture, shine, softness and guards against color fading from UV rays and environmental stressors.

Soothing Eye Cream

Formulated as the third step in the 5-Step Cannabidiol Skincare System, this lightweight cream reduces inflammation, increases circulation, and improves elasticity. It can be easily layered with other skincare products, making it the perfection addition to any morning or night routine.

Preservation Day Cream

Nourish and protect your skin with a powerful but airy forcefield, packed with antioxidants to shield the skin from environmental stressors, including the harmful blue light from digital devices.

Recovery Night Cream

Formulated as the final step in the 5-Step Cannabidiol Skincare System, this lightweight cream harnesses the soothing powers of Lavender, Skullcap, Chamomile and Cannabidiol along with a deeply penetrating blend of reparative plant ingredients to encourage healthy cell production overnight.

Calming Temple Balm

A calming balm for both body and mind, this dual-action blend of soothing plant extracts can be used throughout the day to heal damaged skin and encourage a sense of focus and introspection. When used in the evening, the Calming Temple Balm can help induce clarity in the dream state, especially when applied to the nine major pulse points.

BALANCE

Rosemary + Mint Shampoo Bar

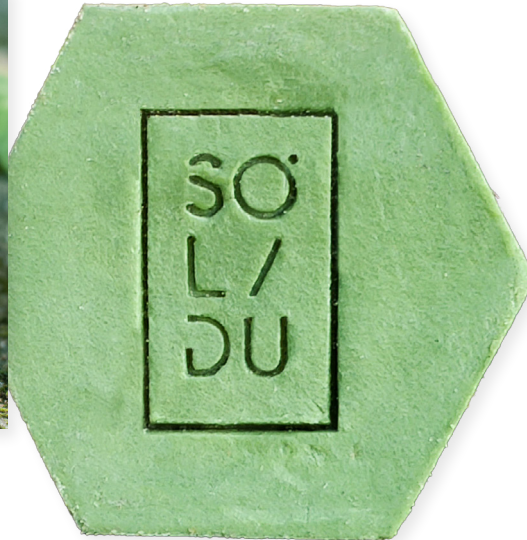

Thoroughly cleanse and remove excess dirt and sebum, while keeping hair healthy and hydrated. Natural mango butter helps balance out oil production while rosemary essential oil leaves hair soft and shiny, and the scalp clean.

20 SECONDS

Creamy Hand Soap Bar

This gentle soap was created with rich mango and shea butters and conditioning sunflower oil for a soft, creamy consistency. With its silky lather, this soap is as gentle as can be, and yet still retains all the disinfecting properties that are so important.

CALM-ENDULA

Soothing Body Butter Bar

An extremely soothing blend of calendula flower extract, sweet almond oil, and vitamin E will quickly restore skin hydration and provide intense, long-lasting nourishment. When your skin is affected by dry or cold weather, chafing, or being in the sun, choose this body butter to calm it down and promote restoration.
