

# Winter Hair Repair Treatments

## Relax + Restore

### Oway Moisturizing Treatment

A moisturizing hair mask is a must-have treatment during the colder months. It will add shine and heal split ends that the blistering cold has blown open. Oway's Moisturizing Hair Mask will deeply replenish and repair even the driest and most brittle hair with Biodynamic Hazelnut and Ethical Murumuru Butter. This is an especially good treatment if you have parched, over-processed or heat damaged hair.
