Hey there, it's Kylie here from Happy Joy Decor.
I hope these boredom buster ideas help
you out & keep the kids entertained, especially since
Covid has arrived.

They have served me well over the last couple of years
with my own kids, & have allowed me to sneak in
few hours of quiet time for myself.

I'd love you to take a look around my store.
I love making art for kids walls & cushions with their names.
Personalised products are my specialty!!
