

Lepod
乐派

Lepod sofa is combined with artistry and interest. The tubular base of sofa with soft cushions, create a feeling of softness in solidness. The unique high backrest structure, provide a convenient illicit close space for private or small group. H-shaped legs and the titled sofa body, making the whole sofa full of sense of fashion and personality. It is suitable for the urban public environment, business meetings space, recreation and Entertainment places, ect. To create a comfortable illicit close space in a limited interior place, which will bring you unexpected and wonderful experience.

乐派沙发是艺术性和趣味性的结合，管状的沙发底座搭配柔软的坐垫，营造出一种刚中带柔的感觉。别出心裁的高背墙构造，为私人或小群体洽谈提供便利的私密空间。H型脚与沙发体的倾斜度，让整个沙发散发出时尚个性的现代感。

它适用于城市的公共环境，可以商务洽谈、休闲放松等，在有限的室内空间营造出一个相对私密的舒适场所，带给你意料之外、情理之中的别致体验。

Logan Komorowski

国家：新西兰

Born in Auckland, New Zealand, Logan Komorowski has been designing eye catching furniture for over 10 years. A graduate of Unitec School of Design, Logan started his design career in his native country by creating beautiful pieces of furniture from reclaimed house wood which he sold in local markets. Since then, Logan has gone on to design collections for some of the biggest name in the furniture industry: Halo Asia, Andrew Martin, Roost, Orient Sino, Asda and Arite. Logan has a unique vision and natural ability to design collections that combine different materials and textures. His imagination and fusion of materials creates furniture that captures the eye in any setting. His ability to combine balance, thymhm, proportion and unity in each of his designs has made him one of the hottest up and coming desingers in the furniture design business.

Logan Komorowski生于奥克兰，新西兰。Logan Komorowski已经有将近十多年接触家具方面的设计，毕业于新西兰理工学院设计系，Logan已经在当地通过回收房屋的木头进行一些精致的家具设计进行销售开始他的从业生涯。自从那时候开始，Logan已经开始为一些大公司做一系列的设计：

Halo Asia, Andrew Martin, Roost, Orient Sino, Asda Arite.

Logan对不同材料和物料的设计有独特的视觉和天生的设计能力。他的想象力和融合材料的创造力获得每个人投以赞许的目光。他的设计中的平衡，协调，相称和融合能力让他很快跻身在家具设计行业中。
