

THE LANDMARK PROJECT

CONVERSATION CARDS

“Outdoor Edition”

To embark on this adventure, cut out the cards and stack them face down amidst a gathering of family and friends. Take turns drawing cards and watch as conversations unfold, sharing tales of epic hikes, unique outdoor experiences, and the wonders of the great outdoors. Each card prompts a question or topic, ranging from favorite outdoor memories to dream destinations. Let the stories flow and see what you learn from your fellow adventurers.
