

TOUCHPOINTS INSURANCE

You're covered!

With TouchPoints Insurance, your TouchPoints are insured for **1 set of TouchPoints** (one device for each side of the body) within a **12-month period** starting from either the date the TouchPoints were delivered or the date the warranty was purchased, whichever is the later date.

TouchPoints Insurance covers:

- Any damages outside of the manufacturer's warranty (one-time replacement)
- One set of replacement wristband couplers
- One set of replacement wristbands

TouchPoints Insurance does not cover:

- Replacement TouchPoints in the case of loss

Damaged TouchPoints must be returned in order to be eligible for replacements. But don't worry, we will cover all shipping charges!

Note: TouchPoints Insurance is only valid in the United States. Insurance must be purchased within 30 days of purchasing your TouchPoints.

It's as easy as 1, 2, 3!

- 2.** We'll have your replacement order shipped out right away so that you can get back to stressing less!
- 3.** Use the pre-paid label that we'll include in your replacement order to return your old damaged device(s).
