

Read the whole paragraph with the missing words before choosing the correct answers. Choose words in the parenthesis for your answer. Circle the best answer.

The snake ____ (slithered, hid, coiled) through the brush. The little mouse was ____ (aware, afraid, unaware) of the danger it was in. It calmly nibbled on some ____ (snakes, seeds, eating) outside its cozy den. Just then the mouse heard the flutter of ____ (the snake, leaves, wings). A ____ (chicken, hawk, falcon) had swooped down onto the snake. The mouse ____ (watched, was caught, ate cheese) as the hawk flew away with a snake clutched in its talons. The hunter had become the prey.

Fill in the blanks using the vocabulary words in the box below.
