<b>1</b>	<b>Introduction to African Parrots</b>	<b>9</b>
1.1	The Different Genera of Parrots in Africa	9
1.2	Why Are Some Species Considered Rare?	11
1.3	National and International Restrictions	13
1.4	African Parrots as Companion Birds	14
1.5	Behavioral Problems—Consult the Experts	16
<b>2</b>	<b>Captive Management Programs</b>	<b>17</b>
2.1	Why Is Captive Management Important?	17
2.2	What Is a Studbook?	18
2.3	Inbreeding—How Can We Avoid It?	19
2.4	Record Keeping—Simplicity Is the Key	20
2.5	Leg Banding—The AFA Way!	21
<b>3</b>	<b>The Senegal, Meyer’s and Red-bellied Parrots</b>	<b>22</b>
3.1	The Senegal Parrot: Range, Distribution and Regional Variations	22
3.2	Range, Distribution and Subspeciation of the Meyer’s Parrot	24
3.3	Range and Distribution of the Red-bellied Parrot	25
3.4	Sexual Dimorphism	26
3.5	Simple Breeding Setups	27
3.6	Egg Laying and Incubation Statistics	29
3.7	Companion Poicephalus Parrots	30
<b>4</b>	<b>The Jardine’s Parrot</b>	<b>32</b>
4.1	Range, Distribution and Taxonomy	32
4.2	Breeding Setups for the Jardine’s Parrot	35
4.3	Egg Laying and Parental Habits	35
4.4	Hand-rearing Jardine’s Parrots	37
4.5	Jardine’s Parrots as Pets	37

<b>5</b>	<b>The Cape Parrot</b> .....	39
5.1	Range and Distribution .....	39
5.2	Subspecific Differentiation .....	40
5.3	Breeding Setups in Aviculture .....	41
5.4	Egg Laying and Parental Habits .....	43
5.5	Personality and Companion Bird Qualities .....	44
<b>6</b>	<b>More Poicephalus Parrots</b> .....	46
6.1	The Brown-headed Parrot .....	46
6.2	The Niam-Niam Parrot .....	48
6.3	The Rüppell's Parrot .....	49
6.4	The Yellow-faced Parrot .....	50
<b>7</b>	<b>African Grey Parrots</b> .....	52
7.1	Grey Parrots in the Wild .....	52
7.2	Sexual Dimorphism and Sex Determination of African Grey Parrots .....	52
7.3	Timneh or Congo Grey Parrot?—A Lesson in Taxonomy	55
7.4	Breeding Setups for African Grey Parrots .....	55
7.5	Nest Boxes—Design and Placement in the Breeding Cage .....	57
7.6	Secrets to Breeding African Parrots— A Breeder's Viewpoint .....	60
7.7	The Breeding Diet .....	62
7.8	The Breeding Season .....	64
<b>8</b>	<b>African Rose-ringed Parakeet</b> .....	81
8.1	Taxonomy and Distribution .....	81
8.2	Dimorphism and Physical Notes .....	82
8.3	International Trade .....	83
8.4	Avicultural Setups and Husbandry .....	84
8.5	Diets in Captivity .....	86
8.6	Hand-rearing Rose-ringed Parakeets (Breeder's Note)	87
8.7	Personality Traits and Pet Qualities .....	87
<b>9</b>	<b>The Lovebirds</b> .....	89
9.1	Notes on the Genus <i>Agapornis</i> .....	89
9.2	Taxonomy and Species Identification .....	90
9.3	Nutritional Notes and General Diet Tips .....	99

9.4	Husbandry and Breeding Setups	99
9.5	The Mutation Colors	101
<b>10</b>	<b>The Vasa and Black Parrots of Africa</b>	<b>103</b>
