

# TABLE OF CONTENTS

Foreword .....	09
Preface` .....	13

## CHAPTER ONE

### Introduction

<i>The Species and its Celebrity</i> .....	18
--	----

## CHAPTER TWO

### You Are What You Eat

<i>Overview</i> .....	27
<i>Food habits study, diet &amp; foraging behavior</i> .....	29
<i>Bird feeder use and disease</i> .....	39
<i>Climate change</i> .....	47

## CHAPTER THREE

### Courtship & Nesting Biology

<i>Overview &amp; nest building</i> .....	50
<i>Courting</i> .....	58
<i>Vocalizations</i> .....	64
<i>Extra-pair paternity</i> .....	68

## CHAPTER FOUR

### The Breeding Population & Habitat Suitability

<i>Overview</i> .....	78
<i>Population abundance &amp; finding nests</i> .....	79

<i>Nesting densities</i>	85
<i>Reproductive output</i>	92
<i>Nest Success</i>	98
<i>Survival of breeding adults</i>	101
<i>Habitat suitability</i>	111

## CHAPTER FIVE

<b>Individual Traits: The Descriptive Currencies of Natural History Dynamics</b>	
<i>Overview</i>	119
<i>Eye color</i>	121
<i>Body Mass</i>	126

## CHAPTER SIX

<b>The Meaning &amp; Implication of Natural History Variation</b>	
<i>Variation among populations of breeding Cooper's Hawks</i>	132
<i>Variation in breeding natural histories between Cooper's Hawks and other raptors</i>	137
<i>Final thoughts</i>	138
<b>References</b>	142
<b>Index</b>	159
