## Contents

Preface
Acknowledgments

**PART I**

1. Understanding the Origin of Your Pet Finch
   - Country of Origin
   - Food Sources in the Wild
   - The Breeding Season
   - Brooding Parasitism
   - Song
   - Life Expectancy

2. Housing, Management and Care
   - Adequate Housing
   - Catching Birds
   - Purchasing
   - Shipping
   - Escape
   - Equipping Facilities for Exotic Finches
   - Make It True To Nature
   - Group Housing

3. Common Illnesses and Their Treatment
   - Introduction
   - The Hospital Cage
   - Some Diseases and Illnesses

4. Food and Water
   - Seed for Finches
   - Sprouted Seed
   - Green Food
   - Fruit
   - Food of Animal Origin
   - Vitamins, Minerals and Trace Elements
   - Pellets
   - Drinking water
   - Bath Water

5. Breeding
   - Preparations
   - Nest boxes and nesting material
   - Mating behavior
   - Nest and eggs
   - Incubating (Brooding)
   - Young birds
   - Leg banding
   - First molt
   - Crossbreeding
   - Use of foster parents
PART II

ESTRILDINAE

Estrilda  (waxbills or typical waxbills) Swainson, 1827
Amandava  (avadavats) Blyth, 1836
