

CONTENTS

This book is divided into ten sections, each containing a variety of specimens. This should help in planning a trip for just a weekend or for a week. There are maps showing locations of the mineral samples. Special thanks to Bill Marshall and B.C. Forest Service for the use of the maps. *These maps are not to scale!*

Introduction.	7
-----------------------	---

ROCKS 1 HIGHWAY 99 NORTH

1. Whistler: <i>black tusk crystals</i>	8
2. Lillooet: <i>jade, jasper, serpentine, soapstone</i>	10

ROCKS 2 CHILLIWACK TO HOPE

3. Fraser River: <i>agate, rhodonite, jasper</i>	12
4. Fraser River North: <i>agate, jade</i>	12
5. Hale Creek: <i>ammonite, fossils</i>	14
6. West Harrison: <i>sealife fossils</i>	15
7. Bodee Claim: <i>clam fossils</i>	15
8. Mystery Creek: <i>fossils</i>	15
9. East Harrison Lake: <i>garnet</i>	16
10. Ruby Loughed Creek FSR: <i>jasper, garnet</i>	18
11. Garnet Creek FSR: <i>garnet</i>	18
12. Hydro Station: <i>quartz crystals, epidote</i>	20

ROCKS 3 HOPE TO PRINCETON

13. Skagit: <i>axinite, quartz crystals</i>	22
14. Sunday Summit: <i>petrified wood, zeolites</i>	24
15. Whipsaw FSR 1: <i>amber</i>	26
16. Whipsaw FSR 2: <i>fossils</i>	28
17. Vermillion Bluffs: <i>agate, common opal, petrified wood</i>	29
18. Coalmont Road: <i>fossils</i>	30
19. Blakeburn Ghost Town: <i>amber, fossils, gold</i>	32
Local creeks and rivers: <i>placer gold</i>	34

ROCKS 4 HOPE TO MERRITT

- 20. Dewdney Creek: *serpentine, jade, soapstone, shmoos* . . . 35
- 21. Mine Creek Road: *pyrite, bornite* 37

ROCKS 5 HOPE TO CACHE CREEK

- 22. Hope: *jade, agate, jasper, garnet* 38
 - Jade Reserve Bars 41
- 23. Ainslie Road North: *agate* 42
- 24. Nahatlatch River: *soapstone* 44
 - Local creeks and bars: *placer gold* 46
- 25. Shaw Springs South: *smoky agate, plume agate* 46
- 26. Santa Claus Rock: *agate, opal, calcite* 48
- 27. Venables Valley: *agate, petrified wood, geodes* 50

ROCKS 6 CACHE CREEK TO KAMLOOPS

- 28. Back Valley Road: *agate* 52
- 29. Deadman Creek 1: *petrified wood, agate, crystal-lined vugs* 54
- 30. Deadman Creek 2: *agate, druzy quartz*. 56
- 31. Kamloops Lake: *agate, calcite, fossils* 58
- 32. Haywood Farmer Road: *agate, jasper* 59
- 33. Savona Towers: *opal*. 61

ROCKS 7 CACHE CREEK NORTH TO 100 MILE

- 34. Highway 99: *jasper, agate* 62
- 35. Hat Creek: *jasper, agate, petrified wood*. 62
