List of Figures	12
List of Tables	15
Preface	16
Acknowledgements	17
A Wildlife Educator's Code of Ethics	18
Chapter 1 Permits	19
1.1 Federal Permits	19
1.1a Federal laws	19
1.1b Permits	20
1.2 State Permits	20
1.3 Permit Limitations	21
1.4 Other Considerations	21
1.5 Record Keeping	21
1.6 Permit Display	22
1.7 Liability/Insurance	22
1.8 Summary	23
Chapter 2 Selecting a Bird for Education	25
2.1 Important Considerations	25
2.1a Legalities	25
2.1b Display Versus Program Use	26
2.1c Management Issues	27
2.1d Bird Specifics	28
2.1e Program Goals	32
2.2 Species Accounts	33
2.2a The Steady Six	34
2.2b Accipiters	38
2.2c Buteos	40
2.2d Caracara	43
2.2e Eagles	43
2.2f Falcons	45
2.2g Harriers	47
2.2h Kites	48
2.2i Osprey	49
2.2j Owls	50

2.2k Parabuteo	55
2.2l Vultures	55
2.3 Summary	57
2.4 Suggested Readings.....	57
Chapter 3 Diet	61
3.1 What to Feed	61
3.1a Domestic Birds and Mammals	62
3.1b Pigeon	62
3.1c Wild Food Sources	62
3.1d Immature Animals.....	63
3.1e Commercial Diets	63
3.2 How Much to Feed	64
3.3 Where to Obtain Food.....	64
3.4 How to Store Food	65
3.5 How to Feed	65
3.5a Preparation.....	65
3.5b Vitamins	66
3.5c Delivery.....	67
3.6 Where to Feed	68
3.7 When to Feed.....	68
3.8 Water	69
3.9 The Reluctant Eater.....	69
3.9a A Newly Acquired Bird.....	69
3.9b A Resident Undergoing Management Change	70
3.9c A Resident Not Undergoing Management Change.....	71
3.10 Record Keeping.....	71
3.11 Summary	71
3.12 Suggested Readings.....	72
Chapter 4 Housing	75
4.1 Location.....	76
4.2 Enclosure Security.....	76
4.3 Structure.....	77
4.3a Size and Shape	77
4.3b Walls	77
4.3c Doors	78
4.3d Roof.....	79
4.3e Floor	80
4.4 Predator Control	80
4.5 Furniture	81
4.5a Hutch	81
4.5b Perches	82
4.5c Water Pans.....	86

4.6 Customizing Enclosures	88
4.6a Visual Separation	88
4.6b Options for Shelter Boxes	88
4.6c Modifications for Physically Disabled Raptors	88
4.6d Housing More Than One Bird in the Same Enclosure	89
4.6e Supplemental Heat	91
4.7 Tethering	93
4.7a Why Tether a Bird?	94
4.7b Which Birds Should Not Be Tethered?	95
4.7c Can Tethered Birds Be Housed Together?	95
4.7d Equipment	96
4.7e Tethering Stall	96
4.7f Precautions: Tethering Dos and Don'ts	97
4.7g The Proper Way to Tether a Bird	99
4.8 Enrichment	99
4.9 Sanitation	101
4.9a Disinfection	102
4.9b Choosing a Disinfectant	103
4.9c Disinfecting Schedule	104
4.10 Common Injuries Associated With Inadequate Housing	104
4.10a Broken Feathers	105
4.10b Wrist Wounds	106
4.10c Bumblefoot	106
4.10d Broken Beak and/or Bruised Cere	107
4.10e Lost Talon Sheath	107
4.10f Leg Abrasions	107
4.11 Summary	108
4.12 Suggested Readings	108
Chapter 5 Equipment	119
5.1 Types of Equipment	119
5.1a Jesses and Anklets	119
5.1b Swivel	120
5.1c Leash	121
5.1d Glove/Gauntlet	122
5.1e Scale	123
5.1f Spray Bottle	123
5.1g Hood	123
5.1h Whistle or Clicker	124
5.2 Making and Attaching Equipment	124
5.2a Supplies	124
5.2b Instructions	126
5.3 Sensitive Species	137
5.3a Vultures	137

5.3b Birds with Feathered Legs	138
5.4 Equipment for Birds Trained for Program Use	138
5.4a Flight Jesses	139
5.4b Lure	139
5.4c Transmitter/Receiver	139
5.5 Summary	140
5.6 Suggested Readings	140
Chapter 6 Maintenance Care	143
6.1 Record Keeping	143
6.2 General Comments	145
6.3 Handling Equipment	146
6.4 Handling a Bird for Maintenance or Physical Exams	147
6.4a Capture	147
6.4b Gaining Control	150
6.4c Restraint	151
6.4d Recovery	152
6.5 The Maintenance Exam	153
6.5a Weight	153
6.5b Feathers	156
6.5c Feet	167
6.5d Beaks and Talons	168
6.5e Equipment	174
6.5g Behavior Patterns	175
6.6 Summary	175
6.7 Suggested Readings	175
Chapter 7 Medical Care	177
7.1 Diseases	178
7.1a Bacterial Infections	179
7.1b Fungal Infections	180
7.1c Viral Infections	183
7.1d Special Considerations	186
7.1e Zoonotic	187
7.2 Management-Related Injuries and Illnesses	188
7.2a Bumblefoot	189
7.2b Cold Weather Anemia	193
7.2c Frostbite	194
7.2d Heat Stroke	196
7.2e Poisoning	198
7.2f Sour Crop	200
7.2g Talon Sheath Loss	201
7.2h Wrist Injuries	202
7.3 Nutritional Disorders	203

7.3a Nutritional Deficiencies	204
7.3b Nutritional Excess	206
7.4 Parasite Infections	207
7.4a Ecotparasites	208
7.4b Endoparasites	210
7.4c Hemoparasites	212
7.5 Summary	214
7.6 Suggested Readings	215
Chapter 8 Training	217
8.1 Training goals	217
8.2 Preparation	219
8.2a Training	219
8.2b Management	220
8.3 Your Bird Arrives: What Do You Do?	221
8.3a Conduct an Exam	221
8.3b Apply Equipment	223
8.3c Transfer to Housing	223
8.4 Communication	225
8.4a Body Language: A Glimpse into a Bird's Mind	225
8.4b Human Behavior around a Raptor: A Glimpse into Cause and Effect ...	229
8.5 Training Methods	230
8.5a Traditional Method	231
8.5b Modern Method: Operant Conditioning	231
8.6 Training the Trainer	235
8.6a Holding a Bird on the Glove	235
8.6b Handling a Bate	236
8.7 Training the Raptor	237
8.7a Getting a Bird onto the Glove	238
8.7b Returning a Bird to a Tethered Position	241
8.7c Weighing a Bird	242
8.7d Doorway Passage	243
8.7e Crate Training	243
8.7f Stage Fright: Introducing the Bird to People	245
8.8 Common Training Mishaps	246
8.9 Top Training Tips	248
8.10 Summary	249
8.11 Suggested Reading	249
8.12 Suggested Videos	250
Chapter 9 Transporting Raptors	251
9.1 Carrier Features	251
9.1a Size	251
9.1b Strength	252

9.1c Padding	252
9.1d Perch	252
9.1e Flooring	253
9.1f Door Position	253
9.1g Light Penetration	254
9.1h Ease of Cleaning	254
9.2 Carrier Options	254
9.2a Automobile Travel	254
9.2b Air Travel	255
9.3 Crate Training	256
9.4 Travel Hazards to Avoid	256
9.5 Travel Tips	257
9.6 Summary	259
9.7 Suggested Readings	259
Chapter 10 Recovering a Lost Bird	263
10.1 Retrieving a Bird That Is Loose in a Building	264
10.2 Locating a Lost Bird	265
10.2a Resources	266
10.3 Recovering a Raptor	267
10.3a Option 1	267
10.3b Option 2	268
10.4 Summary	271
10.5 Suggested Readings	271
Appendix A Federal and State Wildlife Permit Offices	273
AA.1 Federal Wildlife Offices	273
AA.1a Region 1	273
AA.1b Region 2	273
AA.1c Region 3	273
AA.1d Region 4	273
AA.1e Region 5	273
AA.1f Region 6	273
AA.1g Region 7	274
AA.2 State Wildlife Permit Offices	274
Appendix B Food and Supplement Suppliers	277
AB.1 Food Suppliers	277
AB.1a Rodents	277
AB.1b Coturnix Quail	277
AB.1c Day-old Chicks	278
AB.1d Fish	278
AB.1e Commercial Diets	278
AB.2 Vitamin Supplements	278

AB.2a Cod Liver Oil	278
AB.2b Nutrical	278
AB.2c Thiamine	278
AB.2d Vitahawk	278
AB.2e Vionate	278
Appendix C Raptor Housing	279
Appendix D Handling and Training Supplies	289
AD.1 Equipment and Supply Catalogs	289
AD.2 Specialty Suppliers	289
AD.2a Books and Videos	289
AD.2b Gloves	289
AD.2c Hoods	290
AD.2d Leather and Leather Supplies	290
AD.2e Perches	290
AD.2f Perch Covering Material	290
AD.2g Scales	290
AD.2h Transmitter Equipment	290
Appendix E Maintenance and Medical Supplies	293
AE.1 Bandaging Materials	293
AE.2 Beak and Talon Care	293
AE.3 Control of Ectoparasites	293
AE.4 Emergency Kit	293
AE.5 Fluids	294
AE.6 Foot Care	294
AE.7 Weight Determination	294
AE.8 Wound Care	294
Glossary	295
Index	297
