How to measure each window

We require THREE measurements per window, in cm.

1. Width (across)

Measure your window from the outside edges of the window frame in cm

2. Length (top to bottom)

Measure from the top of the window to the bottom of the window frame, in cm

3. Drop (top to floor)

Measure from the top of the curtain track to the floor, in cm.

The length and drop are different measurements

Curtains can take up to six-weeks to arrive! Don't wait until it gets really cold to place your order. Do it today!

We provide curtains for your home's main living areas and can provide curtains for bedrooms if you have children, older people, or high health service users living with you.
