Please make your **check** out to **New Vision Video** and mail it with this form to our address at the top of the page.

To order with a **Credit Card**, use our website at <http://newvisionvideo.webs.com>

## DVD / Blu-Ray features

We create and duplicate our DVD and Blu-Ray discs in-house to maintain the highest level of quality control, and all our discs include a full menus including chapter selection.

The Blu-Ray discs are HD (high definition) and the DVDs are SD (standard definition)

## Online video

Your HD video will be viewable online at <http://Vimeo.com>, a video-sharing website. Once we receive your information and payment, a private link will be sent to your email address with instructions to access your video. You will need an account to logon, if you don't have an account, you will need to sign up, but don't worry, it's free! Most computers and mobile devices will work, but we recommend that you verify you can watch videos from <http://Vimeo.com> on your device before ordering.

If you want a more permanent record of your child's performance, please order the DVD or Blu-Ray also.
