

SC Contour Massage Table

Our Australian manufactured SC electric lift massage table makes switching to an electric height adjustable table more affordable than ever before.

This one piece massage table has electric height control with footswitch. The contoured shape allows maximum accessibility to any part of the body, while the adjustable face crest with prone armrest will allow the client's shoulders to be fully relaxed during treatment.

Also available with straight side edges on request.

FEATURES

- Electric height adjustment with footswitch
- X-Frame lift action minimises pinch & crush points
- Table can be moved similar to moving a wheelbarrow
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- Australian designed & manufactured
