WALKING AND STANDING RANGE

SX Change Table with Padded Side Rails

DESCRIPTION

The SX Change Table has been specifically designed for schools accommodating students with special needs. The Electric Hi - Lo table has a low minimum height of 450mm allowing for wheelchair transfers with little assistance reducing back strain and injury on the caregiver.

Designed to work well in a school environment the SX Change Table comes standard with independently lockable castors and padded safety side rails allowing easy manoeuvrability when moving the student from room to room or in an emergency.

Features:

- Electric height adjustment with footswitch
- X-Frame lift action minimises pinch & crush points
- Heavy duty individually lockable castors
- High quality anti-microbial vinyl & CFC free foam
- Australian designed & manufactured
- 5 year warranty on electrics
Lifetime structural warranty

The Healthtec Warranty

Healthtec offers a lifetime warranty on all our manufactured tables and a five year warranty on motors and foot switches from date of purchase. Original suppliers warranty applies.
