

HARRIS SEEDS: FRUITS, VEGETABLES, PERENNIALS, AND BULBS SUPPLIED BY DEGROOT

Harris Seeds requires a \$175.00 minimum order (per ship date) on items from DeGroot. All items listed below can be purchased to meet the minimum. Your purchase is eligible for cash and loyalty discounts ranging from 3-9%. You may combine these items with your seed/supply order to qualify for free shipping (on orders totaling \$250). Orders not meeting the order minimum will be charged an additional \$25 processing fee. Tags are included with all bulbs, fruit and bare root perennials.

Products will ship directly from DeGroot the week of March 6, 2017 (Sorry, we cannot ship to AK, HI, PR). You may also request to have them shipped any week following March 6th to meet your growing schedule. If so, you must indicate your requested ship week on your order form, to our customer care agents, or under special instructions on the website shopping cart. Please note that DeGroot may delay shipments due to weather conditions. We recommend you order early to reserve product as many varieties sell out by early spring. Last date to order is 5/26/17 while supplies last. Blueberries and grapes cannot ship to CA, OR, ID, WA. Onion sets and shallots cannot ship to ID. Seed potato cannot ship to ID, MT. Claims or shortages must be reported within 10 days after receipt of shipment.
