

2022 WDAA Dressage Tests Errata

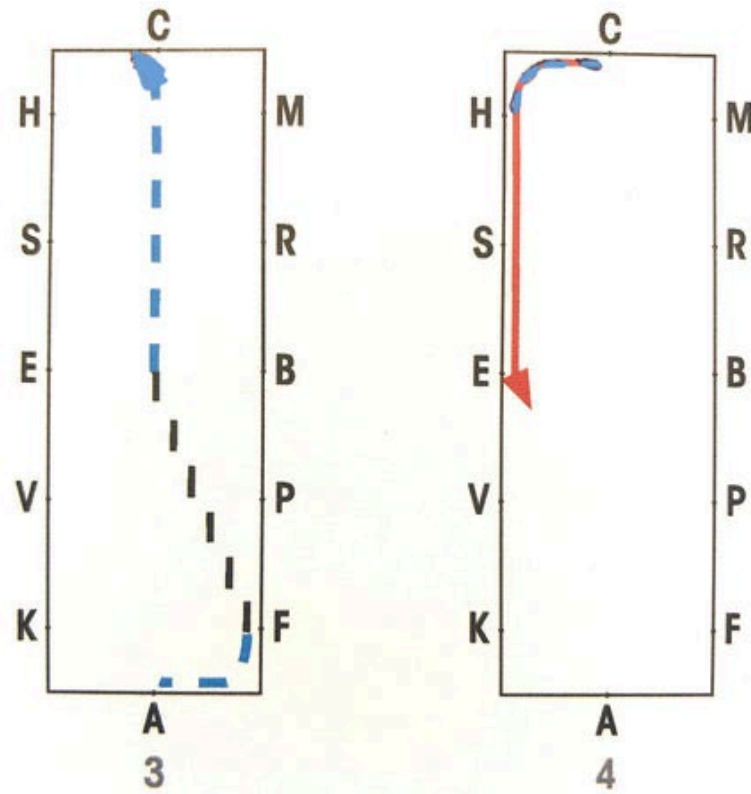

Introductory Level Test 3 Movement 3 Callers Handbook only should read "Circle right 20 meters" instead of "Circle left 20 meters" We recommend the error be corrected with a pen, cross out "left" and write "right" below it. Handbooks shipped after 12-25-21 are correct.

Basic Level Test 2 Movement 14 Callers Handbook only should read H-X-K. We recommend the error be corrected with a pen, cross out "M-X-F" and write "H-X-K" below it. Handbooks shipped after 6-3-21 are correct.

Level 1 Test 1 Movement 8 Judges book only, the diagram needs to slide one letter toward A to start at R and end at K. Judges books shipped before 12-7-21 have the error. It can be corrected by drawing a new diagram line with a green sharpie and crossing out the old line as shown in the picture below. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one.

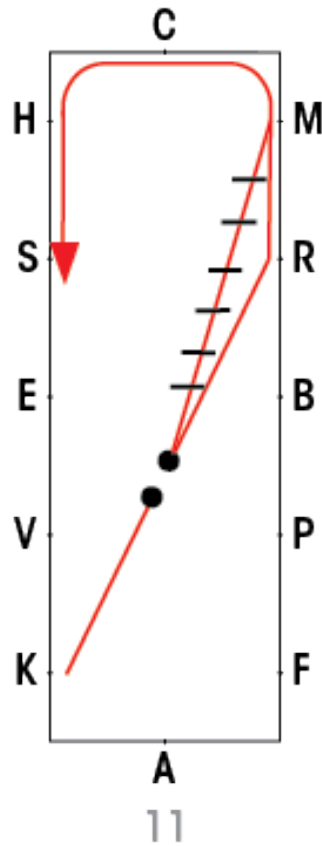

Level 1 Test 4 Movement 3-4 The end of M3 and the beginning of M4 should be working jog instead of working lope. The error can be corrected with a pen as shown below. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 2-5-22 are correct.

Level 1 Freestyle Test Points the Total Possible Points on the top right of the test was corrected to 340 points from 280 points. This is a change made by WDAA. We recommend crossing out the 280 and writing in 340. Dressage Illustrated books will be corrected as inventory is depleted. Books shipped before 4-5-22 do not save the change.

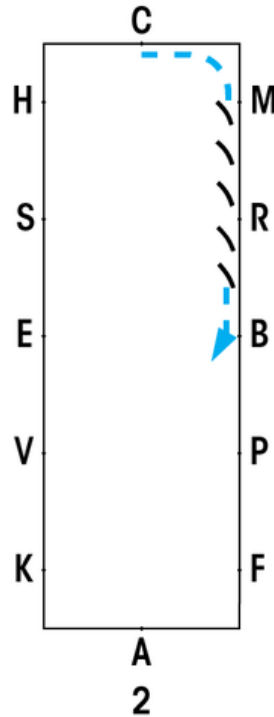

Level 2 Test 2 Movements 6,7 WDAA revised the text completely effective Monday, May 23rd. The new words can be written with a black pen beside the movements in the space below the right column. See the WDAA L2T2 test page on [WDAA](http://www.wdAA.com) web site. Books shipped after 5-25-22 will have the new words. This change will be part of a replacement page update for instructors and judges.

Level 2 Test 2 Movement 11 Movement 11 should be collected canter K-R-S instead of K-M-S. The error can be corrected with a pen to match the diagram shown below. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 3-5-22 should be correct.

Level 2 Test 2 Movements 15 WDAA has decided to clarify the transition by adding a transition statement of "V Collected jog" at the end of movement Dressage Illustrated will not be providing a correction page for our books. We recommend writing the new text into the bottom of movement 15. Dressage Illustrated will cut this addition into our masters 3-30-22, but not into our inventory. It will propagate into shipments as the inventory is reprinted.

Level 2 Test 4 Movement 2. Haunches-In right is not shown correctly. The error can be corrected with a pen to match the diagram shown below. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 2-5-22 are correct.

Level 2 Test 4 Movements 8,9 WDAA revised the text completely effective Monday, May 23rd. The new words can be written with a black pen beside the movements in the space below the right column. See the WDAA L2T2 test page on WDAA web site. Books shipped after 5-25-22 will have the new words. This change will be part of a replacement page update for instructors and judges.

Level 2 Freestyle Test Movement 10 the words "through jog" should be deleted. This is a change made by WDAA. We recommend you cross out the words with a red pen. Books shipped before 1-5-22 do not have the change

Level 4, Test 4, Diagram for Movement 20 shows the path to the final halt as collected lope (red solid line). It should be collected jog (blue dashed line). The error can be corrected with a pen as shown below. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 12-4-21 are correct.

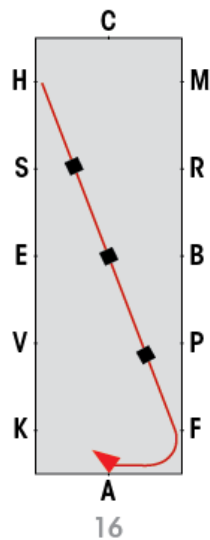

Level 4, Freestyle has been changed by WDAA. Movement 7 is changed to the words "Lengthening of stride in lope." This change can be made most simply by crossing out the word "collected" in Movement 7. Movements 9 & 10 have an L | R added. The L | R is removed from Movement 11. These changes can be made by adding L | R in Movements 9 & 10 and crossing it out in Movement 11. Due to the complexity of this change, for a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 3-1-22 should be correct.

Level 5, Test 1, M1 has been changed by WDAA to add the words "left lead" after collected lope. The change can be entered with a pen. Dressage Illustrated will not be providing a correction page for any of our books. Dressage Illustrated will cut this addition into our masters 12-10-21, but not into our inventory. It will propagate into shipments as the inventory is reprinted.

Level 5, Test 1, M16 The half pass movement symbols are reversed. The correct symbols are shown below. The error can be corrected with a pen by writing "left" for the symbol from D to E and writing "right" by the symbol from E to G. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 2-24-22 are correct.

Level 5, Test 2, M16 is a coefficient movement but does not have a shaded background. The correct movement is shown below. The correction can be made with a pen by writing "coefficient" beside the movement or showing some shading inside the arena. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 2-24-22 are correct.

Level 5, Test 3, M1 has been changed by WDAA to add the words “left lead” after collected lope. The change can be entered with a pen. Dressage Illustrated will not be providing a correction page for any of our books. Dressage Illustrated will cut this addition into our masters 12-10-21, but not into our inventory. It will propagate into shipments as the inventory is reprinted.

Level 5, Test 4, Diagram for Movement 19,20,21 shows the path to the final halt as collected lope (red solid line). It should be collected jog (blue dashed line). The error can be corrected with a pen as shown below. For a replacement test page for judges and instructors books please contact Dressage Illustrated and request one. Books shipped after 1-6-22 are correct.
